

I-75 MODERNIZATION PROJECT: HANDS-ON AESTHETIC WORKSHOP

Help create “the look and feel” of the freeway through aesthetic treatments and enhancements

WHO: Michigan Department of Transportation (MDOT) and You!

WHAT: Hands-On Aesthetic Workshop to Help Create “the Future Look and Feel” of the I-75 freeway from M-102 to South Boulevard

WHEN: Stop by anytime from 1pm-7pm on Tuesday, November 19, 2013; Open House

WHERE: Troy Community Center, 3179 Livernois Road, Room 304

WHY: To develop possible enhancements and treatments for the future freeway modernization project by participating and creating a “look and feel” for the freeway that fits in with the community, through expressing preferences and contributing to activities such as logo development, corridor theme and style likes, and developing an appropriate color palette. If you are interested in actively providing input and creating ideas for the future appearance of the freeway, please stop by anytime between 1pm-7pm.
